

Shalako /

Man nennt mich Shalako

New Mexico, 1880. Eine Jagdgesellschaft aus aristokratischen Europäern verirrt sich in einem Reservat kriegerischer Apachen und aus den Jägern werden Gejagte. Dass wenigstens einige am Leben bleiben, verdanken sie einem berühmten und erfahrenen Trapper.

New Mexico, 1880. A hunting party composed of European aristocrats infringes on the borders of an Apache reservation. The hunters become the hunted. At least a few manage to survive, thanks to the help of a famous and experienced trapper.
